Guest Fees for 2019

All members must purchase a two-day guest pass at the front desk to bring a non-member into the pool. Guest passes must be used within the current season.

Guest Fees:

Stock Members:

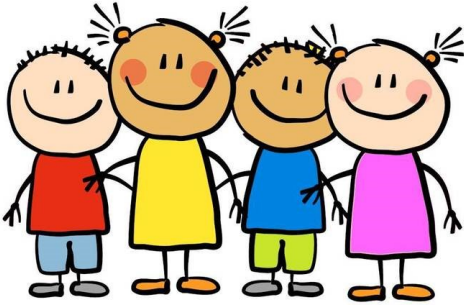

- Individual pass: \$10
- Family of 5: \$40
- Family of 6+: \$40 and \$10/additional person.

Social Members:

- Individual pass: \$15
- Family of 5: \$50
- Family of 6+: \$50 and \$15/additional person.

Rider Purchases

Babysitter riders and grandparent riders can be added to a membership. For example, a family already has a membership and the babysitter or grandparent watches the kids over the summer. The babysitter or grandparent wants to come to the pool with the kids.

Due to the nature and discounted rates for these riders, it is **NOT** intended to replace a membership. If you are babysitting kids over the summer but plan to come to the pool without the children from time to time, then a single membership should be purchased. *This membership type cannot come into the pool without the children that they watch.*

The fee to add a rider to your account is \$100 for the 2019 season.

Pool Information

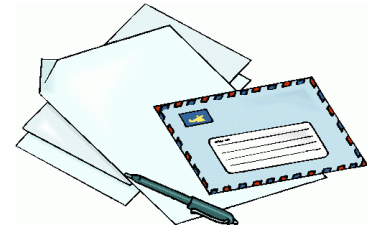

Swim Tests: The minimum age for a member's unaccompanied child (who has passed the swim test) is 11 years of age. Passing the swim test is required of all unaccompanied children of members up through the age of 12 .

**Guests are not eligible to take the test.

Pre-Season Work: If you are interested in helping out to get the pool ready for the season, please contact us at middletown-paswimclub@gmail.com.

Aside from the listed dates, there will be additional work days to prepare the pool and land for the season.

Termination Information

No longer want to be a member of MSC? We will miss you, but we understand! Send a letter, signed by both members if it's a joint membership, to PO Box 172, Middletown, PA 17057 postmarked by ***May 1, 2019***, along with a copy of your stock certificate. If you cannot find the original stock certificate, please indicate this in the letter being sent to terminate membership. If the deadline is missed, there are no extensions. If a letter is not received by May 1, 2019, your stock purchase will then be placed as a lien against your dues, resulting in forfeiture of membership and stock repayment.

Please remember that the board will determine a target membership number to sustain a balanced budget to assist in determining the timeframe for the payback of stock.

Want to make a donation?

As you know, our slide pump malfunctioned in the middle of August 2018. We have been fortunate that our insurance is willing to cover the cost, minus our deductible. While we have some funds through our fundraising efforts, we are just shy of our deductible. The board has also committed to making other capital improvements in the near future. One of those improvements is repairing the deck concrete. This project will cost approximately \$13,000. If you are able and willing to donate toward either of these projects, please feel free to make the donation online or mail to our PO Box. If you have a specific project you are supporting, please notate that on your donation. Thank you for your desire to see MSC continue to improve!
