## Guest Fees for 2024

All members must purchase a one-day guest pass at the front desk to bring a non-member into the pool. Guest passes must be used within the current season.

### Guest Fees:

#### Stock Members:

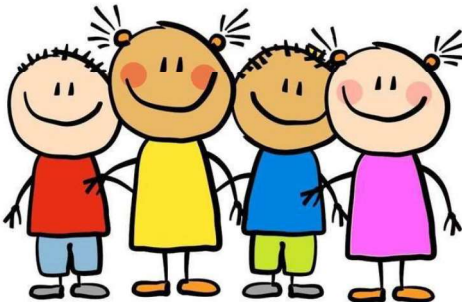

- 1 day pass: \$5/person

#### Social Members:

- 1 day pass: \$10/person

## Rider Purchases

Babysitter riders and grandparent riders can be added to a membership. For example, a family already has a membership, and the babysitter or grandparent watches the kids over the summer. The babysitter or grandparent wants to come to the pool with the kids.

Due to the nature and discounted rates for these riders, it is **NOT** intended to replace a membership. If you are babysitting kids over the summer but plan to come to the pool without the children from time to time, then a single membership should be purchased. ***This membership type cannot come into the pool without the children that they watch.***

The fee to add a rider to your account is \$100 for the 2024 season.
